

REMARKS

In accordance with the discussions had with Examiner Prema Metz, all of the claims under consideration have been cancelled and new claims 53-63 substituted therefore. Cancelled claims 43,44 and 50-52 have not been included but Applicants have reserved their right to file a further application including these claims.

It is believed that the Examiner's suggestions with respect to amendment of the claims to avoid rejection under 35 U.S.C.112 have been followed. The applicants attorney can be reached by phone if any further changes are required.

It is submitted that the application is now in condition for allowance and notification to that effect is respectfully requested.

Respectfully submitted,
